SKILLS

JavaScript, React.js, Ruby, Ruby on Rails, Python, jQuery, Redux, SQL, Git, HTML5, CSS3, SASS, BootStrap, PostgreSQL, RSpec, Jasmine, AWS, Webpack, Heroku

WORK SAMPLES

Focus   Live Site | Github

Single Page full stack web application. Utilizes Ruby, Ruby on Rails, React/Redux, and a PostgreSQL database.
- Built a dynamic photo interface using JavaScript Masonry that moves and organizes photos depending on the current library.
- Provided secure upload of photos using securely stored API keys through cloudinary.
- Incorporated JavaScript Modals to give photos an interactive layout and pop-up view.

Last Stand   Live Site | Github
Vanilla JavaScript game developed with HTML Canvas and CSS to render the application.
- Utilized Vanilla JavaScript to program the physics of the ball and it's interaction between the walls and bricks.
- Implemented intuitive control scheme using event listeners that check for mouse positioning upon each render.

Quickr   Live Site | Github
Single page React/Redux application that simplifies Flickr.
- Uses Flickr's API to display photos based on the current tag.
- Displays photos using JavaScript Masonry and uses Axios to make API requests.

EXPERIENCE

Operations Admin
Voce Communications   June 2015 - May 2017
- Wrote client filter program in Ruby to cut down on total billing processing time from five hours to less than one hour.
- Trained, mentored, and managed 4 administrative assistants over the course of 2 years.
- Maintained inventory and the HTML/CSS for both the company internal and external web pages

Dispatcher
Copy Carriers   Feb 2014 - May 2015
- Ensured high driver satisfaction rates by coordinating routes and troubleshooting for 8+ drivers.
- Completed 50+ customer calls per day to confirm delivery dates, information, issues, and satisfaction.
- Wrote quarterly reports to track costs and efficiency in deliveries.

EDUCATION

App Academy May 2017 - April 2018
Immersive software development course with focus on full stack web development
San Diego State University
BS - Business Finance
